

## Your Neighbourhood Plan

At an extraordinary Parish Council meeting on 14<sup>th</sup> July 2015, it was agreed to appoint Development Planning and Design Services Ltd (DPDS) as planning consultants to assist the Steering Group in its work.

This new phase in the project will be led by the new Steering Group Chairman - Mrs Pam Berridge. The Steering Group members will be very busy over the summer gathering data and becoming familiar with the various planning applications currently approved or pending for our village.

Over the next few weeks leaders of local clubs and organisations will be approached by members of the working groups seeking your views and getting much needed information to produce a truly community led neighbourhood plan.

We need everyone's input so please visit our stand at the Summer Fete to find out what we have been doing and to join in with the activities - All participants will be entered in a free prize draw!!

The first job of the planning consultant is to help the Steering Group identify any gaps in its membership and activities. If you feel that you have skills that could contribute to our work and would like to help, please contact Pam on 783831 or emailing *Shrivenhamplan@yahoo.co.uk*.

If you want to know more you can go to the [Shrivenham.org](http://Shrivenham.org) website where details of all minutes and past and future meetings can be found. Watch out for our new dedicated website: [www.shrivenhamneighbourhoodplan.org](http://www.shrivenhamneighbourhoodplan.org), which is being developed. Members of the public are always welcome to attend Steering Group meetings.
