LS reported it was a successful day in terms of footfall and comments.

More than 100 questionnaires completed.

Villagers given a voice and everyone was positive

LS reported as an example one of the comments,"With any future developments can we use section 106 money to put a bridge on the A420."

VC has all the information collated but not analysed from fete 2 years ago.

PH to email to all Parish Councillors a design day form to fill in and return to PB.

5 **Commercial Activity Strategy**

Activities split into two areas of approach.

DJ High St retail outlets

LS Businesses run from home. This was to include business with less than three staff.

LS to email business run from home with the questionnaire

Questionnaire to be emailed to JJ to print off 100 copies

DJ finish interviews by end of April.

DJ to arrange business breakfasts to take feedback

DJ to draw up a task list and email to committee.

6 Further allocation of building land. - P2 Vale plan for for consultation

On the White Horse District Council website there are 19 different sites which have been considered for development around Shrivenham.

13 out of 19 specifically have been identified as being promoted by the landowners who have approached the Vale. None of these sites have been included in Part 2 of the Plan. If in the future the Vale falls short on the 5 Year Plan housing supply there is the potential that these sites could be developed.

BW to propose to the Parish Council on Monday that the Mandate is extended to consider the identified sites in the plan.

BW to produce criteria to assess the suitability of these sites. Use MR's criteria on dropbox.

7 Housing Needs Survey Result

BW awaiting results of Housing Survey.

8. Any Other Business

MMS Comments from Design Day .

“Can we put into the NP something that states that development can't move to Phase 2 until the new school is in place and junction on A420 has been created.”

LMS reported that payment for NP website is due. Invoice to be forwarded to JJ who will arrange payment.
