23/16	APPLICATIONS TO CONSIDER a) P23/V2166/HH – 25 Stainswick Lane. Dormer to rear elevation. There were no measurements on the plans and therefore insufficient information to make constructive comments. The design, appearance and layout was contrary to the Shrivenham NP. Residents were concerned about overlooking. The site had a planning history and it was agreed that a request should be made to call it in. If the Vale was minded to approve the application a condition was to be requested to prevent any further extension, especially in the roof space. It was agreed to object on these grounds.	JE
