25/64	APOLOGIES FOR ABSENCE Cllrs Coffey, Howell and Pearson	
25/65	DECLARATIONS OF INTEREST None.	
25/66	CONSTRUCTION OF COVERED SHELTER AT THE BOWLS CLUB It was noted that constructed had already started and under the terms of their lease the Bowls Club should have obtained permission from the Parish Council as the landlord. It was unclear whether planning permission was required and whether the Vale had been contacted about this. It was noted that there was also a plan to install solar panels which would require permission from the Parish Council. Permission could not be given until the following action had been taken: <ol style="list-style-type: none">1. The Bowls club to provide assurance that they have determined whether planning permission is required or not.2. A formal application is required from the bowls club asking for permission to carry out the works.3. Work was not to proceed until this was done. To do so would be a breach of the terms of the lease and could possibly be unlawful. Proposed Cllr Ware, Seconded Cllr Bartle. RESOLVED. <u>Afternote:</u> It was reported at 16.00 that the construction had been completed.	
25/67	DATE OF NEXT MEETING Wednesday 2 nd April 2025 at 7pm. Cllr Coffey gave his apologies.
